12TH MAY, FOURTH SUNDAY OF EASTER 2019 (C)

GOSPEL JOHN 10:27-30

The image of Jesus as Good Shepherd and the community of followers as his sheep has endured over the centuries.

The image speaks to us about the protection, security, and care that shepherds represent for their sheep.

Today's Gospel speaks powerfully about the familiarity and intimacy between Jesus and his disciples, expressed as recognizing and knowing another's voice.

Today's Gospel also speaks to the relationship between Jesus and the Father. In the Gospel of John, Jesus identifies so closely with the Father that he tells us that they are one—not just close, but actually one. To know Jesus is to know the Father. Jesus doesn't just bring us closer to the Father, Jesus puts us directly into contact with God the Father, removing all distance between us. Our relationship with Jesus is an invitation to share in the life of God.
