## SOLEMNITY OF THE MOST HOLY TRINITY - JUNE 11TH 2017

### THE MOST HOLY TRINITY

The very heart of our faith is our belief in one God in three persons, Father, Son and Holy Spirit, the perfect communion of love. Thousands of pages over the years have been written to try and describe and to examine the inner life of God and the relationship of those Three Persons, but ultimately all such attempts will fail.

We are finite creatures, with limits to our understanding and in some ways it is arrogance and presumption that we even attempt to fully describe and pinpoint God.

In His goodness and grace God has reached out to us and revealed something of who He is but we will spend eternity contemplating His mystery.

We can learn much from Eastern Christianity which tells us that there comes a point beyond which we cannot speak, we must simply be silent before the grandeur, the awe and the mystery of the divine. That the God who created all things, including space and time can be interested and involved in our lives is yet another example of the mystery of His love.

Each day may we remember to praise and wonder at the God who gave us the gift of life and yet even more amazingly calls us to share in His very life.

*Glory be to the Father, and to the Son  
and to the Holy Spirit!*

*God bless, Fr Paul*
